6

Enter Your Security Code

Your security code is your **Login ID** (example “ ab1234 ”) plus the **last four digits of your SSN**. (example: ab12341234) so if you used the last four digits of your **SSN** in your login ID, you will duplicate that in your Security Code. For Business Customers, your security code is your **Username plus the last four digits of your business ' s EIN**. New User enter the security code as provided to you by the bank.
